

News from the Director: Dwayne Gilliland

In this issue:

UPDATED—Please note the changes to the North Wales STAR schedule and the insert.

Hello Everyone! I hope that you are all doing well and are enjoying the warmer weather. As we enjoy these summers months, please remember to stay hydrated by drinking plenty of fluids, especially water. Do not forget to wear sunscreen while outdoors and don't forget to protect your eyes by wearing sunglasses. This is especially important when attending the STAR.

As a friendly reminder to all— please make sure that when you are dropping off your sons/daughter/ individuals at our STAR Program locations, that you are walking them in to the program. Going forward it will be expected that every member be checked in on the attendance list at each program.

Trips will remain on hold until staffing and the program supervisor positions can be maintained at a safe level.

Come on out for the STAR programs 3rd Annual End of Summer Luau. There will be music, dancing, drinks and food. **The cost of this event is \$20.00 per person. Please RSVP by completing the enclosed registration form and including a check for \$20.00 by August 2, 2019!**

Registration for the 2020 calendar year will be announced at a later date and time. In the meantime we would like to update all of our contact information for each of our participants. Please complete the provided form and return in the mail or give it directly to a STAR staff member during a STAR Program event.
