Summer Therapeutic Activities Program for Children with Autism

The Summer Therapeutic Activities Program, designed for children ages 5-14, is an interactive therapeutic environment that provides qualified clinical staff to work with each child on behavioral goals and social skills in a recreational setting.

**Monday – Friday from July 12 - August 20, 2021
9:00am-11:30am or 12:30pm-3:00pm**

Medical assistance funding is available for qualified applicants.
Part-time attendance options considered as enrollment permits.

Contact Anne Westrom at 267-203-1500 ext. 139 or awestrom@indcreek.org for more information or to apply.
